

POULTRY COOP / VET CABINET

Quartering tray

In polyester

Ideal for collecting waste: bones, feathers, corpses...

ADVANTAGES

- + Reinforced, shock-resistant tray
- + Easy-to-handle lid with option of loading the tray with the raised jib
- + Rubber wheels: 2 fixed and 2 pivoting
- + Safe, easy tipping thanks to the side spring-locking system
- + Efficient cleaning thanks to the gelcoat lining (resin that improves surface properties)
